The idiots constantly  
think there's some kind  
of cheating going on here,  
but nothing could be  
further from the truth.  
We don't need to have  
any kind of cheat to deal  
with these idiots. They all  
think they have some kind  
of special system that'll  
work here, but the simple  
fact is that the odds  
are always on our side.  
We win because that's  
how it's always been  
meant to work...doesn't  
stop the bloody saps  
from trying though. Not  
that we discourage the  
practices of fools who  
think they found a way  
to win.
